

Friends of Folk Week 2021

Why does Folk Week need Friends?

Friends help secure the future of Folk Week. The festival is a registered charity and not for profit and relies on volunteers to make the Festival happen. Most of the festival income is raised every year through ticket sales, street collections, lottery tickets and merchandise sales, but Folk Week needs Friends as a constant support. By joining the Friends, you are not only contributing to the festival financially, you are sending a message to all our potential funders, local authorities and sponsors that Folk Week is a much-loved and important festival in Kent. Please join!
